FOREWORD

On behalf of the Transportation Science Society of the Philippines (TSSP), I am pleased to publish the ninth issue of the **Philippine Transportation Journal**. This issue includes selected reviewed papers from the TSSP 2025 conference held last December 4, 2025 at the University of the Philippines Los Banos, hosted by the UPLB Department of Civil Engineering. The topics are varied, covering active transport, public transportation, road safety, paratransit and mobility in general. We acknowledge the authors of the papers, and express our gratitude to the reviewers of the papers for this ninth issue.
